# COVER SUMMARY

By way of summary only, this insurance provides the following covers:

## Cover for Your Boat

**Section 1** provides cover for **Accidental Loss or Damage**, **Theft** of, or **Malicious Damage** to **Your Boat**, and certain other types of property when on it, which occurs during the **Period of Insurance** up to the limit specified in the **Schedule** or this document.

Specific sub-limits apply to certain property such as **Fishing Gear**, **Water Ski Equipment**, **Diving Equipment**, **Tools** and **Personal Effects** – these are not claimable in addition to the limit specified in the **Schedule**. Go to page 31.

**You** can choose to insure **Your Boat** on either an **Agreed Value** or **Market Value** basis. This determines the way in which a claim for a **Total Loss** or constructive **Total Loss** is managed and settled. **Market Value** is the default cover and unless **We** have agreed to provide **Agreed Value** cover for **Your Boat** (or an individual **Insured Component** of **Your Boat**), it will be insured for **Market Value**.

If **Your Boat** is insured for **Market Value**, the limit shown on the **Schedule** for **Section 1** cover is a maximum amount **We** will pay. In the event of a **Total Loss** **We** may pay less than the limit shown on the **Schedule** if **You** have overvalued **Your Boat** when **You** entered into the **Policy**. **We** will pay only the actual **Market Value** of **Your Boat** immediately prior to the loss i.e. the cost of replacing the **Boat** immediately prior to the claimed loss or damage taking into account its condition and location.

If **Your Boat** (or any **Insured Component** of the **Boat**) is insured for **Agreed Value** then in the event of a **Total Loss** **Our** settlement of the claim will be based on the value of the **Boat** (or **Insured Component**) as agreed between **You** and **Us** at the time the **Policy** is taken out, renewed or updated. Go to page 30.

## Cover for Third Party Claims

**Section 2** provides cover for legal liability to third parties for property damage, death or personal **Injury** arising out of the use of **Your Boat** during the **Period of Insurance** in the specified circumstances up to the limit of liability specified in the **Schedule**. It also covers **You** for **Your** liability under a berthing or mooring agreement, **Accidental** pollution, and certain associated legal costs and expenses. An optional extension to cover **Water Skiing** is available for **Boats**; for **Personal Watercraft** this cover is provided automatically. Go to page 20.

## Cover for Injury to an Insured Person

**Section 3** covers an **Insured Person** that is an individual person up to the limit specified in this document and the **Schedule** for death and certain specific types of **Injury** following an **Accident** when using **Your Boat** during the **Period of Insurance** within the **Geographic Limits**.

If more than one **Insured Person** is named as **You** in the **Schedule** the amount paid to each **Insured Person** will be the limit payable under this section divided by the number of **Insured Persons**. Go to page 22-23.

**Make sure You understand what is and isn't covered**

Not everything is covered by this insurance. **You** need to read the **Policy** for full details of the cover and the relevant limits, **Excess(es)**, exclusions and conditions that apply. Further details are contained in this document but for general guidance:

**You** must comply with the Duty of Disclosure which requires **You** to tell **Us** about matters relevant to **Our** decision to provide cover and the terms **We** offer, including **Premium**. This duty applies not only when **You** take out the insurance for the first time, but also whenever **You** renew, extend, vary or reinstate the cover. With certain exceptions at law, if **You** fail to declare material facts to **Us**, **We** may be entitled to reduce the amount **We** pay in respect of a claim, cancel the contract or, in the case of fraudulent non-disclosure, avoid the contract from its beginning. Go to page 9.

The amount **You** can recover in the event of a claim is up to the limit shown on the **Schedule** being either the **Agreed Value** or **Market Value** of **Your Boat** (for Section 1) and the limit of liability for Section 2. Additionally specific **Policy** sub-limits apply to certain types of claim as specified in this document. **You** need to decide if the limits, type and level of cover(s) are appropriate for **You** and will cover **Your** potential loss. If they are not, **You** may be underinsured and have to bear part of any loss **You** are not covered for **Yourself**. Go to pages 12-23 and 30-34.

In the event of a claim **You** will, where applicable, have to pay an **Excess** as shown on the **Schedule**. **We** only cover **You** for the amount by which the total claim exceeds the **Excess**. Go to page 12 and 17.

**We** do not cover any party's interests other than **Yours** in the insured property except where the third party interest has been notified to **Us** and agreed to by **Us** in writing. Go to page 7 and 20.

**We** specify types of property, events or circumstances for which **We** do not provide cover (exclusions) in the **Policy**. Some exclusions apply only to Sections 1, 2 or 3, whilst general exclusions apply to claims under any of the Sections. Go to pages 14-27.

**We** specify other conditions (general conditions and claims conditions) in the **Policy** which set out **Your** obligations. If **You** fail to meet these obligations **We** may reduce or refuse a claim in whole or in part to the extent **We** are prejudiced by **Your** failure and/or cancel the **Policy** (to the extent permitted by law). **You** should also refer to the 'Words With Special Meanings' section to ensure **You** understand what **We** mean by special terms used (these are capitalised and highlighted in blue, bold and italics in this document).

Go to pages 6-13 and 28-34.

# THE POLICY

## What documents make up the Policy?

The **Policy** is made up of these documents:

- this Product Disclosure Statement and Policy Document (PDS). The PDS is designed to provide information about the **Policy**, to help **You** decide if it's what **You** need;
- the **Schedule**. This sets out the parties insured, the cover(s) selected, the **Period of Insurance**, limits of liability, **Excesses** and other important information;
- any Supplementary PDS that applies. If **We** vary the PDS, **We** may issue a Supplementary PDS with the changes; and
- any other **Policy** documents **We** specify at or before commencement of **Your Policy**. **We** may issue other documents that vary or modify the **Policy** where required or permitted by law.

The **Policy** provides a number of covers which may or may not be provided to **You** as a retail client under the *Corporations Act 2001 (Cth)* depending on **Your** circumstances. Only the parts of the **Policy** document relevant to cover provided to **You** as a retail client and any other documents which **We** tell **You** are included, at or before commencement of **Your Policy** or where required or permitted by law, make up the PDS for the purposes of the Act.

This PDS and **Policy** document (together with any amendments, updates or endorsements that **We** give **You** in writing which may vary it where required or permitted by law) will also apply for any offer of renewal **We** make, unless **We** tell **You** otherwise or issue **You** with a new and updated PDS.

## Updates to the PDS

**We** may need to update this PDS from time to time. **We** will do this if certain changes occur, and **We** are required and permitted by law to do so. **We** will issue **You** with a new PDS or a Supplementary PDS or other compliant document to update the relevant information except in limited cases.

Where the update is not something a reasonable person would consider to be materially adverse in considering whether to buy this insurance, **We** may simply issue **You** with notice of this information in other forms or keep an internal record of such changes.

**You** can get a paper copy of the PDS free of charge by contacting Club Marine, or access it on **Our** website.

## Basis on which We provide cover

**We** will cover **You** on the basis specified in this document, the **Schedule** and any written endorsements **We** issue amending the terms of the cover subject to:

- the exclusions, terms, conditions, limitations and extent of cover outlined in the **Policy**;
- the **Period of Insurance**, limit or limits of liability, **Excess**,

**Geographic Limits** and other specifics to **Your** cover listed on the **Schedule**;

- **Your** payment of, or agreement to pay, the **Premium** or **Premium** instalments by the due date; and
- **Your** compliance with **Your** 'Duty of Disclosure' obligations – as detailed on page 9.

## Failure to comply with Policy conditions

If **You** do not comply with the **Policy** terms and conditions, **We** may refuse or reduce a claim to the extent **We** are prejudiced by **Your** failure and/or cancel the **Policy** (to the extent permitted by law).

## Who the Policy covers

The **Policy** provides cover (where applicable) for anyone named in the **Schedule** as an "Insured". Such persons are referred to as **You** (or **Insured Person**) throughout this document.

If there is more than one of **You** listed on the **Policy**, then anything that any of **You** says, does, or omits to advise to **Us** of applies to and affects the rights of all of **You**.

## When the Policy starts and ends

The effective and expiry dates of the **Policy** are shown on the **Schedule** and cover expires at 4pm on the relevant date unless otherwise specified. **We** agree this period when **You** apply for cover. In some circumstances the **Policy** can end earlier than the expiry date e.g. cancellation by **You** or **Us**. For more details, please see Cancellation Rights Under the Policy on page 34.

## 72-hour exclusion period

To manage the risk of people taking out insurance on their uninsured **Boat** or increasing cover on their underinsured items when events such as cyclones, **Floods** or bushfires are predicted, a 72-hour exclusion period applies to some insured events.

**We** do not provide cover for any loss of or damage to **Your Boat** caused by cyclone, **Flood**, grassfires or bushfires, during the first 72 hours after **You** first take out or increase the cover under the **Policy**.

However, **You** will be covered from the time **You** take out or increase the cover under the **Policy** for loss or damage to **Your Boat** caused by other insured events.

The 72-hour exclusion period won't apply:

- to renewals,
- when (on the same day the **Policy** starts) **You** have purchased the **Boat**,
- if the **Policy** replaces a similar policy that covered the same **Boat**, without a break in cover. However, if there is an increase in the limit provided for the **Boat** under Section 1, **We** won't cover the increased amount for the first 72 hours of the **Policy**.

## 14-day cooling off period

**You** can call **Us** to cancel **Your Policy** within 14 days from either:

- the date **We** issued **You** a new **Policy**, or
- the start date of a **Policy** that **You** have renewed,

and in either of these situations, provided **You** have not made a claim or an event has not occurred that could give rise to a claim on **Your Policy**, **We** will refund **Your Premium**.

**We** may deduct from **Your** refund amount any government taxes or duties **We** cannot recover.

In addition to **Your** cooling off period, **You** can cancel the **Policy** at any time by calling **Us**. See Cancellation rights under the Policy on page 34 for details.

## Temporary extension to the Period of Insurance

If **You** have been at sea in **Your Boat** for more than 24 hours and the **Policy** would otherwise expire (other than by cancellation), **We** will provide a temporary extension to the **Period of Insurance** until 24 hours after **Your Boat** arrives at its next port.

The temporary extension to the **Period of Insurance** will apply automatically provided that when **Your Boat** arrives at its next port, **You** contact **Us** within 24 hours of its arrival to make arrangements to renew the **Policy**. However, there will be no cover during the temporary extension to the **Period of Insurance** under Section 3 – **Injury** to an **Insured Person** in the event of an **Insured Person's Accidental** death.

## Transfer of interest

If **You** sell, transfer or give away **Your Boat**, the cover under the **Policy** will cease to apply upon completion of the sale, transfer or disposal as relevant.

## How much You're covered for

It's up to **You** to decide the limit and level of cover that **You** want to take out. If **You** don't have enough cover, **You** could end up having to cover some of the costs **Yourself**.

Remember, **We** will only pay up to the amount of **Your** loss or the limits or limit of liability specified on the **Schedule**, whichever is the lesser – so **You** should also be careful not to over insure. When selecting a limit for the **Boat**, **You** should not include any GST amount **You** incurred when purchasing the **Boat**, or which **You** would expect to pay in replacing the **Boat**. In the event of a **Total Loss** claim, **We** will pay any GST in addition to the Section 1 limit – please see the GST notice on page 36.

## Applying for cover

**You** may apply for cover online or by completing **Our** printed application form and sending it to **Us** or by calling **Us**. Depending on the information **You** provide in either case **We** may ask **You** for further information. When applying for cover or providing **Us** with additional information in relation to **Your** application, **You** must comply with **Your** Duty of Disclosure. For details of this duty refer to 'Your Duty of Disclosure' below.

Where **We** agree to provide cover **We** will issue **You** with a **Schedule**.

## Your Duty of Disclosure

Before **You** enter into a contract of insurance with **Us**, **You** have a duty, under the *Insurance Contracts Act 1984*, to disclose to **Us** every matter that **You** know, or could reasonably be expected to know, is relevant to **Our** decision whether to accept the risk of the insurance and, if so, on what terms.

**You** have the same duty to disclose those matters to **Us** before **You** renew, extend, vary or reinstate a contract of general insurance.

This duty of disclosure applies until the contract is entered into (or renewed, extended, varied or reinstated as applicable).

**Your** duty however does not require disclosure of matters:

- that diminish the risk to be undertaken by **Us**; or
- that are of common knowledge; or
- that **We** know or, in the ordinary course of **Our** business as an insurer, ought to know; or
- as to which compliance with **Your** duty is waived by **Us**.

## Non-disclosure

If **You** fail to comply with **Your** duty of disclosure, **We** may be entitled to reduce **Our** liability under the contract in respect of a claim, cancel the contract, or both.

If **Your** non-disclosure is fraudulent, **We** may also have the option of avoiding the contract from its beginning.

## Renewal procedure

Each year on renewal, **We** will generally send a renewal invitation and let **You** know the renewal cost. **You** must pay the full amount by the due date shown on **Your** renewal invitation in order for cover to continue.

- If **You** pay **Your Premium** annually, the **Policy** will not be automatically renewed unless:
  - **You** pay by direct debit; and
  - have previously instructed **Us** in writing to do so.
- If **You** pay **Your Premium** in instalments by direct debit, **We** will automatically renew the **Policy** and continue to debit **Your** nominated bank account or credit card unless **You** tell **Us** to stop.

## Modifying Your Boat

**You** must notify **Us** as soon as possible if **You** modify or intend to modify **Your Boat** from the manufacturer's original specifications.

When **We** receive this information, **We** may:

- propose changes to the terms and conditions of the **Policy**;
- propose to charge **You** an additional **Premium**;
- cancel the **Policy** if there is a change and **We** can't reach an agreement with **You** on altered terms and conditions or premium, or **We** are no longer prepared to insure **You** because there has been a material change to the risk; or
- decide not to offer to renew the **Policy**.

If **You** do not provide the information as soon as possible, **We** may refuse or reduce a claim under the **Policy** to the extent **We** are prejudiced by the delay or failure to provide this information.

## Receiving the Policy documents

**We** will provide **You** with a copy of this document and any applicable Supplementary PDS prior to **You** making a decision to apply for this insurance. **You** may be provided with a hard copy or a soft copy, electronically (by email or online).

Other documents such as the **Schedule**, Supplementary PDS, endorsement or renewal **Schedules** will be sent to **You** electronically (by email) unless **You** specifically request hard copies.

Any documents sent to **You** by email will be considered to have been received by **You** 24 hours from the time **We** sent them to **Your** email address and it is **Your** responsibility to inform **Us** as soon as possible of any changes to the email address (and/or mailing address, where applicable) **You** have provided to **Us**.

## Premium

**We** will tell **You**, when **You** apply, what **Premium** is payable, when it needs to be paid and how it can be paid.

### Premium Payment Options

**You** can pay **Your Premium**:

- as a lump sum annually; in which case the **Policy** will not be automatically renewed unless:
  - **You** pay by direct debit; and
  - have previously instructed **Us** in writing to do so; or
- in monthly instalments by direct debit from a bank account or credit card **You** nominate, and **We** will renew the **Policy** automatically unless **You** request otherwise.

In all cases **We** will advise **You** prior to renewal what the monthly instalments or annual **Premium** will be for the forthcoming year.

Please also see Instalment Premiums – Special Conditions on page 12.

## How do We calculate Your Premium?

The **Premium We** charge **You**:

- is based on a number of factors including **Your** risk profile (including but not limited to the type of **Boat**, where **Your Boat** is located, its value, and losses **You** have incurred or claims **You** have made previously);
- can change each year when **You** renew the **Policy** regardless of whether **You** have made a claim or not, or whether any of **Your** own risk details or No Claim Bonus rating have changed or not, for example based on **Our** internal processes and reviews of **Our** own costs and expenses. **Your Premium** for each **Period of Insurance** will be shown on the covering letter accompanying the **Schedule**;
- includes amounts that take into account **Our** actual or estimated obligation to pay relevant compulsory government charges (e.g. Stamp Duty, GST and Fire Services Levy where applicable) in relation to the **Policy** as well as other additional charges **We** tell **You** about.

Club Marine may also charge **You** a **Policy** administration fee which will be shown separately. The **Policy** administration fee may be charged in circumstances such as arranging the issue or renewal of **Your Policy**.

Please also note:

- Minimum **Premiums** may apply. Any discounts or entitlements may be subject to rounding and only apply to the extent any minimum **Premium** is not reached.
- If **You** are eligible for more than one discount or entitlement, **We** apply each of them in a predetermined order to the **Premium** (excluding taxes and government charges) and they may be reduced by any prior applied discounts or entitlements.
- Discounts may not be applied to the **Premium** for optional covers (where applicable).
- **You** may be eligible for a 'No Claim Bonus', which is a discount off **Your Premium**. The No Claim Bonus **You** receive depends on the number of years **You** have insured **Your Boat** and the number of claims **You** have had. **You** are eligible for the maximum No Claim Bonus if **You** have experienced no boat related claims in the last five years.

## No Claim Bonus

**We** give **You** a No Claim Bonus (NCB) which is a discount off **Your Premium** to reward **You** for having a good claims history.

When **You** first take out a **Policy** with **Us**, **We** calculate **Your** NCB based on **Your** pleasure craft insurance claims history in the previous 5 years.

The **Schedule** will show a No Claim Bonus rating from 1-5. The No Claim Bonus works as follows:

- Rating 1 – receives a 25% discount
- Rating 2 – receives a 20% discount
- Rating 3 – receives a 15% discount
- Rating 4 – receives a 10% discount
- Rating 5 – receives no discount.

**Your** No Claim Bonus will be reduced by 2 ratings for any claim **You** make under the **Policy**.

For example: If **You** were on a No Claim Bonus rating 1 and make a claim **Your** next renewal would be offered on rating 3.

Where **You** do not have a rating 1, **You** improve one rating each year that **You** do not make a claim. The above discounts may be changed by **Us** on renewal and **We** will tell **You** if this is the case.

For each claim free year **You** have with Club Marine without a break in cover, **Your Policy** gains protection points. Once **You** have five (5) protection points (i.e. 5 years claim free) and then make a claim, **Your** No Claim Bonus rating will not be affected by that claim. However any subsequent claim may affect **Your** No Claim Bonus rating.

## Instalment Premiums – Special Conditions

Additional charges and special conditions may apply if **You** decide to pay **Your Premium** by instalments. **You** must ensure **You** pay each instalment on time.

If an ongoing monthly instalment is unpaid **We** will notify **You** and **We** will try to deduct the overdue amount again 14 days after it was first due. If this second attempt to deduct the outstanding amount fails, **We** will cancel **Your Policy** for non-payment. **We** will send **You** a notice advising **You** of cancellation, and cancellation will be effective 14 days from the date on this notice.

## Excesses

Unless **We** state otherwise in the PDS, **You** will need to pay an **Excess** – which is a type of co-payment toward **Your** claim. The agreed **Excess** **You** need to pay for each cover type is shown on the **Schedule**, or referred to in this PDS. If **We** settle **Your** claim by cash settlement **We** will deduct the **Excess** from the amount **We** pay **You**. In other circumstances, **You** may need to pay the **Excess** as a contribution to the repair or replacement.

So for example, if **You** have an **Excess** of \$1,000 and make a claim for \$3,000, **We** will pay the balance of \$2,000. **We** will only pay the claim if the claim amount is more than the **Excess**.

When **You** apply for cover, **You** will be advised what the standard **Excess** will be based on the details **You** have provided. **You** can in some cases choose a different **Excess** amount from the available options. Generally, the higher **Your Excess** amount, the lower **Your Premium** will be.

In some cases, **We** may impose an additional compulsory **Excess** which reflects **Our** risk and underwriting criteria. For example **Excesses** may also be specified for **Theft**, racing, the age of the driver of **Your Boat** and so on. **You** cannot vary or remove these **Excesses**.

## Be prepared for a claim

When **You** buy the **Policy**, it makes sense to set **Yourself** up so that in the event **You** need to make a claim the process will go as smoothly as possible. For example, in the event of **Theft** of an item of **Equipment and Accessories**, it helps to be able to prove that **You** owned the item – and what it was worth. So keep track of **Your** receipts – either by filing them or logging them in a tracking app. It's also a good idea to take photos of **Your Equipment and Accessories** and **Boat** so **You** can get them repaired or replaced more easily if they're damaged or stolen.

## Temporary cover for Your Replacement Boat

If **You** replace **Your Boat**, **We** will automatically provide temporary cover for the **Replacement Boat** from the date of purchase up to a maximum of 30 days and only up to the lesser of the purchase price of the **Replacement Boat** and the limit shown in the **Schedule** under Section 1 for **Your Boat**.

If cover is to continue on the **Replacement Boat**:

- **You** must give **Us** full details of the **Replacement Boat** within 30 days of purchase; and
- **You** must obtain **Our** agreement to cover **Your Replacement Boat**; and
- **You** must pay any additional **Premium** **We** require and accept any changes in the terms and conditions of the **Policy**.

Cover on the replaced **Boat** ceases from the date of purchase of the **Replacement Boat**.

## Sublimits

Unless specified otherwise, any sub-limits expressed in this document are included in and not in addition to the specified limit or limits of liability (as applicable) shown on the **Schedule**.

SECTION 1 – BOAT COVER

We will cover **Your Boat** and/or **Insured Components** within the **Geographic Limits** on water, on land or in storage during the **Period of Insurance** including whilst engaged in volunteer marine rescue or during time trials conducted under the control or regulation of a club, association or equivalent body (up to a maximum speed of 30 knots) for the following:

Who/What We Cover

Accidental Pollution

Sudden and **Accidental** discharge, release or escape of fuel, lubricants or sewage from the holding tanks of **Your Boat** up to \$500,000 (incl GST) for any one event (including legal expenses).

Water-Skiing

(This cover is optional for **Boats** other than for **Personal Watercraft** where this cover is provided automatically)

- **You**
- any person using **Your Boat** with **Your** permission
- any person engaged in **Water-Skiing** while being towed, or wake surfing on the wake produced, by **Your Boat** for liability for:
  - death of or **Injury** to the **Water Skier** or to any person caused by the **Water Skier**
  - property damage caused by the **Water Skier**

Who/What We Do Not Cover  
see also General Exclusions

- **Your** recklessness, deliberate actions or misconduct or that of any person in possession of **Your Boat** with **Your** permission.
- Fuel or lubricants not being used in connection with the operation of **Your Boat** at the time of loss.
- Where **You** have not selected this optional cover for **Your Boat** (other than **Personal Watercraft**) and it is not shown on the **Schedule**.
- Where **You** are using **Water Ski Equipment** which is not:
  - commercially manufactured; and
  - designed specifically for the purposes of **Water Skiing**.
- Where **Your Personal Watercraft** is not capable of towing a **Water Skier** in compliance with all statutory requirements and this causes or contributes to the loss or damage.
- Where there is no competent observer on **Your Boat** at the time of the incident giving rise to the claim in accordance with the relevant legal requirements and this causes or contributes to the loss or damage.
- Arising out of the towing of any persons or objects in the air including but not limited to hydrofoiling, parasailing, paragliding and the use of aerial devices (including air chairs). However, this exclusion will not apply to instances **Water Skiers** become temporarily airborne during normal **Water Skiing** activity.

What if?

Someone else is operating **Your Boat** and they cause damage to it?

Regardless of who is responsible for damage to **Your Boat**, **You** will be able to claim under Section 1 provided the loss did not result from an excluded event.

Parties to whom **You** have loaned **Your Boat** are also covered for liability arising from their use of **Your Boat**, as specified above.

However, **We** do not provide cover under Section 2 for professional marine operators such as professional skippers and crew employed by **You**, professional boat builders or repairers, marina operators or yacht clubs when they are in control of **Your Boat**, except in emergencies. The reason for this is that these parties need to have their own liability insurance cover in place, and in the event of a claim for damage to **Your Boat** caused by them, **We** have the right to seek recovery against them and/or any insurance policy they hold.

Reserving **Our** rights to claim against professional operators helps to keep the cost of **Your** insurance down.

## SECTION 3 – INJURY TO AN INSURED PERSON

We will cover death or the following specific types of **Injury** to an **Insured Person** that is an individual following an **Accident** when using **Your Boat** during the **Period of Insurance** within the **Geographic Limits** for the amounts shown in the table.

If more than one **Insured Person** is named as **You** in the **Schedule** the amount paid to each **Insured Person** will be the limit payable under this section divided by the number of **Insured Persons**.

### Total Loss or Constructive Total Loss

Where **We** determine that **Your** claim is covered by the **Policy** **We** will at **Our** option, (subject to payment of the relevant **Excess** and any **Premium** adjustment) and acting reasonably:

- replace **Your Boat** (or **Insured Components** of the **Boat** which have been lost); or
- pay **You** the reasonable cost of repairing or replacing **Your Boat** (or the **Insured Components** of the **Boat** which have been lost); or
- settle the claim by payment of a cash sum for the **Boat** or **Insured Component** based on either the **Market Value**, or **Agreed Value** if specified in the **Schedule**.

Where no value is specified for an item in the **Schedule**, that item is insured for **Market Value**.

If **We** make a **Total Loss** payment, whether it is for the entire **Boat** or one or more of its **Insured Components**, **We** are entitled but not obliged to take ownership of the **Boat** or **Insured Component** to which the **Total Loss** payment relates. Regardless of **Our** decision whether or not to exercise this right, **We** will be entitled to keep the proceeds of any salvage sale up to the net amount **We** have paid out in respect of **Your** claim. At **Our** discretion (and if safe to do so), **You** may reclaim the **Boat** or **Insured Component** if **You** agree to pay the salvage price.

If **Your** entire **Boat** is a **Total Loss**:

- the amount of any unpaid **Premium** for the **Period Of Insurance** will be deducted from the amount payable to **You**; and
- no return of **Premium** will be made.

### If Your Boat is a Personal Watercraft

If **Your Personal Watercraft** is new on the date when **You** first enter into a **Policy** with **Us** covering **Your Personal Watercraft** for the full recommended retail price and it becomes a **Total Loss** or **Constructive Total Loss** within the first 2 years and while a **Policy** is in force, **We** will replace it with a new **Personal Watercraft** of

the same make and similar model and specifications provided this does not exceed the limit specified in the **Schedule**.

**We** will also pay for all dealer delivery fees, registration costs and statutory charges incurred by **You** in addition to the limit specified in the **Schedule**, provided **You** agree to pay **Us** any refund amount **You** obtain for registration or statutory charges on the **Personal Watercraft** **You** are replacing.

Where **Your Personal Watercraft** is financed, **We** will require written consent from **Your** financier in order to supply a replacement.

If a replacement **Personal Watercraft** is not available, or **We** are unable to replace it, **We** will pay **You** the original purchase price of **Your Personal Watercraft** up to the limit shown in the **Schedule**.

If **We** replace **Your Personal Watercraft**, the **Policy** will continue to cover **Your** new replacement **Personal Watercraft** until the end of the **Period of Insurance**. **We** will not require **You** to pay any additional **Premium** for this cover.

### Limitations on certain items

For the following items the maximum **We** will pay (not in addition to the Section 1 limit specified in the **Schedule**) is:

- **Fishing Gear, Water Ski Equipment, Diving Equipment and Tools** - \$1,500 (incl. GST) for each item and \$10,000 (incl. GST) in total for all claims combined unless otherwise noted on the **Schedule**.
- **Personal Effects** - \$1,500 (incl. GST) for each item and \$10,000 (incl. GST) in total for all claims combined unless otherwise noted on the **Schedule**.

### Damage or Partial Loss

1. **We** will at **Our** option (acting reasonably), either arrange for repair or replacement of damaged items, or alternatively reimburse **You** for the reasonable cost of repairs and/or replacements required to bring the **Boat** or **Insured Components** as near as possible to its appearance and condition immediately prior to the claimed loss or damage.

Please note that it is **Our** decision (acting reasonably) whether to make a cash settlement in lieu of repairs. **We** will not generally make a cash settlement for partial losses which exceed the reasonable authorised cost of repair or replacement of the damaged item.

2. The reasonable cost of repairs will not include any extra costs associated purely with creating a uniform appearance to match the undamaged portion of the **Boat** or **Insured Components**. **We** will make best efforts to use the nearest available equivalent to the original materials or item.

For example, **We** won't pay extra to respray and finish the whole **Boat** to perfectly match the repaired **Hull** section.

3. **We** may, subject to criteria including but not limited to the age, usage and condition of the **Insured Components**, take into account reasonable **Depreciation** in settling the claim.

**Depreciation** rates will vary between different **Insured Components**, their age, lifespan, usage and condition (i.e. **We** take into account remaining operational life before the loss). **We** will utilise expert opinion where **We** apply **Depreciation** and will inform **You** how this is calculated where applicable.

### Repair Guarantee

Where **We** have selected and directly authorised a repairer, **We** will accept responsibility for the quality of the workmanship and materials and will guarantee **Your** repairs in line with the General Insurance Code of Practice.

### Genuine Parts

If **We** agree to repair **Your Motor** and are unable to fix the damaged part/s, **We** will replace the damaged part/s with genuine parts. This benefit only applies if the part is locally available at the time of repair.

### Dismantling, diagnosis and reassembly costs

Where **You** make a claim for loss or damage to **Your Boat**, **We** may in some circumstances, require **You** to:

- dismantle **Your Boat**, or
- authorise **Us** to dismantle **Your Boat**,  
so **We** can assess **Your** claim for the relevant loss or damage and/or decide if it is valid.

If **You** do not agree **We** may refuse to assess or pay **Your** claim.

Where **We** determine that the claimed loss or damage to **Your Boat** is:

- not covered by the **Policy**, **You** will be responsible for the costs of the above dismantling as well as any costs associated with the dismantling (including but not limited to any diagnosis, reassembly, repair and/or replacement costs).
- covered by the **Policy**, **We** will settle **Your** claim in accordance with the terms and conditions of the **Policy**.

### No fault excess waiver

**We** will not apply the **Excess** where:

- **Your Boat** or an **Insured Component** of **Your Boat** suffers **Accidental Loss or Damage** as a result of a collision and:
  - **You**, or the person in control of **Your Boat** at the time of the **Accident**, were not at fault; and
  - **You** can identify and provide the name and contact details for the person/party who was at fault or any other information that would reasonably allow **Us** to identify the person so that **We** can exercise **Our** rights of recovery. 'At fault' in this case means fully or primarily

responsible for the loss or damage. Sometimes more than one person can be at fault but **We** will determine who was 'at fault' based on available evidence and witness statements and taking into account established principles and practice; or

- in the case of **Theft** or **Malicious Damage**, provided **You** are able to provide evidence (for example, a police report, CCTV footage or photographs) identifying the person/party responsible and can provide their name and contact details or any other information that would reasonably allow **Us** to identify the responsible party so that **We** can exercise rights of recovery.

### Additional costs following loss or damage due to an event covered under Section 1

#### Precautionary/Emergency Measures and Salvage Costs

**We** will pay the reasonable costs to prevent or minimise loss or damage to **Your Boat** and **Insured Components**, and costs to recover the **Boat** or move it to safety, following an insured event covered by Section 1 in addition to the Section 1 limit specified in the **Schedule**, but not exceeding an amount equal to the Section 1 limit.

#### What if?

**You** incur expenses to minimise loss or damage to **Your Boat**.

If **You** incur expenses to prevent or minimise loss of **Your Boat** **You** may be able to claim these if they were reasonable under the circumstances.

For example, **Your Boat** hits a rock, and needs to be patched temporarily to allow it to be returned to a place where it can be permanently repaired. **You** can claim both the cost of temporary repairs and the permanent repairs.

#### Land Towing

**We** will also pay up to \$1,000 in addition to the Section 1 limit for land transit towing costs in towing **Your Boat** by trailer to the nearest place where repairs can be made (provided **Your Boat** is designed to be towed by a trailer).

#### Club Care Benefits

**We** will also pay (without application of any additional **Excess**) up to \$5,000 (incl GST) in total in addition to the Section 1 limit for all **Club Care Benefit** claims.

#### Race/Tournament Entry Fees

**We** will cover **You** for loss of entry fees that are not refundable and paid by **You** and **Your** crew should a claim under the **Policy** cause **You** to withdraw from a fishing tournament or yacht racing event up to \$2,000 (incl GST) in addition to the Section 1 limit. The cover provided by this benefit will only be paid if the loss or damage sustained by **Your Boat** necessitates **Your** withdrawal and no **Excess** will apply for these costs.

## Other insurance

If at the time of any loss, damage or **Accident** that may give rise to claim under the **Policy**, there is any other insurance **Policy** covering the **Boat** or **Your** liability arising from the use of the **Boat** as described in the **Policy**, then **We** reserve the right to seek contribution from any other insurer(s). If **You** are aware of such other insurance, **You** are required to notify **Us**. **You** must also provide **Us** with all reasonable information and reasonable assistance in the recovery of **Our** ratable proportion of such loss or damage.

## Our rights of recovery and Your help

**We:**

- have the right to recover the amount of any claim paid under the **Policy** from the person who caused **You** to suffer loss or damage or to defend **You** if it is alleged that **You** caused loss or damage to someone else;
- have full discretion in the conduct, settlement or defence of any claim in **Your** name; and
- may take over the defence of **Your** liability and defend, negotiate or settle the liability as **We** see fit and **We** may appoint **Our** own lawyers to act for **You**. **We** will act reasonably having regard to **Your** interests, and will keep **You** informed if you ask **Us** to.

**You:**

- agree to waive in **Our** favour **Your** right to legal professional privilege;
- must take reasonable steps to help **Us** even after **We** have paid **Your** claim including making further written statements and providing documents **We** consider relevant;
- must attend Court to give evidence if required by **Us**; and
- must notify **Us** as soon as reasonably possible of any incidents, demands, notices or Court documents **You** receive relating to an **Accident** that resulted in or could result in a claim. If **You** do not, **We** may reduce or deny **Your** claim to the extent **We** are prejudiced by **Your** delay.

If **We** recover more than the amount **We** have paid to **You** or on **Your** behalf, **We** will pay **You** the balance (less any legal or other fees **We** have incurred in relation to the recovery action). This means **You** may also be entitled to a refund of all or part of the **Excess** applied.

## OTHER IMPORTANT INFORMATION

Here are some other important things **You** should know about the **Policy**, how **We** treat **Your** personal information and what to do if **You** have a complaint.

- delivery to **You** or **Your** agent in person;
- delivery electronically where **We** are allowed by law; or
- posting it to the address last notified to **Us**.

If **You** or **We** cancel the **Policy** **We** may deduct a pro rata proportion of the **Premium** for time on risk, and any government taxes or duties that **We** cannot recover.

In the event that **You** have made a claim under the **Policy** and **We** have agreed to pay a **Total Loss** for **Your** entire **Boat**, no return of **Premium** will be made.

## GST notice

The **Policy** has a GST provision in relation to **Premium** and **Our** payment to **You** for claims. It may have an impact on how **You** determine the amount of insurance **You** need. Please read it carefully. Seek professional advice if **You** have any queries about GST and **Your** insurance.

## Sums insured

All monetary limits in the **Policy** may be increased for GST in some circumstances (see below).

## Claim settlements – where **We** agree to pay

When **We** calculate the amount **We** will pay **You**, **We** will consider the following:

- Where **You** are liable to pay an amount for GST in respect of an acquisition relevant to **Your** claim (such as services to repair a damaged item insured under the **Policy**) **We** will pay for the GST amount. **We** will pay the GST amount in addition to the limit of liability or other limits shown in the **Policy** or in the current **Schedule** unless otherwise stated.

If the limit/ limit of liability is not sufficient to cover **Your** loss, **We** will only pay the GST amount that relates to **Our** settlement of **Your** claim.

**We** will reduce the GST amount **We** pay for by the amount of any input tax credits to which **You** are or would be entitled.

- Where **We** make a payment under the **Policy** as compensation instead of payment for a relevant acquisition, **We** will reduce the amount of the payment by the amount of any input tax credit that **You** would have been entitled to had the payment been applied to a relevant acquisition.

## Disclosure – input tax credit entitlement

If **You** register, or are registered, for GST **You** are required to tell **Us** **Your** entitlement to an input tax credit on **Your Premium**. If **You** fail to disclose or understate **Your** entitlement, **You** may be liable for GST on a claim **We** may pay. The **Policy** does not cover **You** for this GST liability, or for any fine, penalty or charge for which **You** may be liable.

## Insurance intermediaries

- If the **Policy** has been issued through **Our** agent, or an insurance intermediary who is acting under a binder arrangement with **Us**, then they are acting as **Our** agent and not as **Your** agent.

# SUPPLEMENTARY PRODUCT DISCLOSURE STATEMENT (SPDS) – CLUB MARINE PLEASURE CRAFT INSURANCE

PREPARATION DATE: 31 JULY 2021

This document is an SPDS that updates and amends the Pleasure Craft Insurance Policy Product Disclosure Statement and Policy Document (“PDS”) dated February 2021 issued by the insurer Allianz Australia Insurance Limited ABN 15 000 122 850 AFS Licence No. 234708, GPO Box 9870 Melbourne VIC 3000 (Allianz).

This SPDS must be read together with the PDS and any other current SPDS that You were given which updates or amends the PDS.

Effective 5 October 2021, amendments to the Insurance Contracts Act 1984 under the Financial Sector Reform (Hayne Royal Commission Response) Act 2020, Schedule 2 Part 2 (Duty to take reasonable care not to make a misrepresentation) come into force for “Consumer Insurance Contracts” including this product. The new provisions aim to protect consumers against the risk of having their claims declined where they may have inadvertently failed to disclose their past circumstances or because insurers have failed to ask the right questions.

The change follows the Banking and Finance Royal Commission recommendations concerning the provision of financial products.

This SPDS also updates the PDS to align the complaints handling process described in the PDS to ASIC regulation 271 and the 2020 General Insurance Code of Practice. This strengthens our commitment to customers who make a complaint, and helps ensure our resolution process is transparent, honest and fair in accordance with the revised Code.

## CHANGES TO THE PDS

### 1. Duty Not To Misrepresent

- (a) The 2nd paragraph under the heading “**Make sure You understand what is and isn’t covered**” on page 4 is deleted and replaced with:

**You** have a duty to take reasonable care not to make a misrepresentation to **Us** when answering the questions **We** ask **You** before **You** enter into **Your Policy**. This duty applies not only when **You** take out the insurance for the first time, but also whenever **You** renew, extend, vary or reinstate the cover. If **You** do not meet this duty, **We** may reject or not fully pay **Your** claim and/or cancel **Your Policy**. If the misrepresentation was deliberate or reckless, this is an act of fraud, and **We** may also treat **Your Policy** as if it never existed. Go to page 9.

- (b) The paragraph entitled “**Your Duty of Disclosure**” on page 9 of the PDS is deleted and replaced with the following:

#### **Your duty to take reasonable care not to make a misrepresentation**

**You** must take reasonable care not to make a misrepresentation to **Us**. This responsibility applies until **We** issue **You** with a **Policy** for the first time or agree to renew, extend, vary/change, or reinstate **Your Policy**.

**You** must answer **Our** questions honestly, accurately and to the best of **Your** knowledge. A misrepresentation is an answer that is false, misleading, inaccurate, incomplete or dishonest. It is not misrepresentation if **You** do not answer a question or **Your** answer is obviously not complete or is irrelevant to the question asked.

The responsibility to take reasonable care not to make a misrepresentation applies to everyone who will be insured under the **Policy**. If **You** are answering questions on behalf of anyone, **We** will treat **Your** answers or representations as theirs.

Whether or not **You** have taken reasonable care not to make a misrepresentation is to be determined with regard to all relevant circumstances, including the type of insurance, who it is intended to be sold to, whether **You** are represented by a broker and **Your** particular characteristics and circumstances **We** are aware of.

If **You** do not meet the above duty, **We** may reject or not fully pay **Your** claim and/or cancel **Your Policy**. If the misrepresentation was deliberate or reckless, this is an act of fraud, and **We** may also treat **Your Policy** as if it never existed.

If any question or guidance provided is not clear, **You** can contact **Us** for more information on 1300 00 CLUB (2582) or visit [www.clubmarine.com.au](http://www.clubmarine.com.au).

- (c) Wherever the words “**Duty of Disclosure**” appear elsewhere in the PDS these are amended to “**Duty to take care not to make a misrepresentation**” and cross references where applicable are updated to refer to the above replacement text.
