Consistency between Target Market & the Product

This insurance product including its key attributes is likely to be consistent with the likely objectives, financial situation and needs of the class of customers in the target market, as we consider that it provides the required type of insurance cover for that class of customers. This has been determined based on an assessment of the insurance product including its key attributes. Individual customers will need to consider whether this insurance product meets their specific objectives, financial situation and needs.

How is the Product to be Distributed & Monitored?			
Distribution channels:	Distribution conditions		
Millennium Underwriting Agencies Pty Ltd distributes products exclusively through MGA Insurance Brokers Pty Ltd (ABN 29 008 096 277, AFS License No. 244601).	 This product is designed to be distributed by us or our distributors. This product can only be issued to people where they are eligible for that cover in accordance with the application and/or acceptance/renewal criteria that has been approved in writing by the issuer and which complies with relevant laws. This product can only be distributed by us or distributors where we or our distributors have received training and relevant accreditation (if required) and have met compliance reviews. The distribution conditions will make it likely that customers who acquire the insurance product are in the target market, as we consider that the distribution conditions are appropriate and will enable us and our distributors to direct the insurance product to the class of customers who fall within the target market set out above. This has been determined based on an assessment of the distribution conditions and the target market.
