Summary of cover and other significant matters

By way of summary, the principal covers available are:

- cover for accidental loss of or damage to Your insured Building occurring during the Period of Insurance (Section 1 – Building Cover);
- cover for accidental loss of or damage to Your insured Contents occurring during the Period of Insurance (Section 2 – Contents Cover);
- cover for damage caused by Tenants occurring during the Period of Insurance. This cover is only available if Building and/or Contents cover is specified in the Coverage Summary (Section 3 – Damage caused by Tenants Cover);
- cover for loss of rent as a result of a Tenant's default in rent occurring during the Period of Insurance, up to 15 weeks rent or \$10,000, whichever is the lesser. This cover is only available if Building and/or Contents cover is specified in the Coverage Summary (Section 4 – Tenants Rent Default Cover);
- cover for loss of rent as a result of loss or damage to Your Building where Your Building is not covered under section 1 during the Period of Insurance (Section 5 – Loss of Rent for Tenanted Properties); and
- cover for legal liability You and certain other persons incur for accidental death or bodily injury to certain other persons or accidental damage to certain other person's property. This cover is only available if You have taken Building and/or Contents cover (Section 6 – Legal Liability Cover).

Refer to each Cover Section for details of the basis on which We settle any claim.

You need to make sure that You are happy with the extent of cover provided by this insurance. If not, You may not get the cover You require.

We only provide cover up to the amount(s) and limits and Sum(s) Insured specified in Your Policy and subject to its other terms, conditions and exclusions. All amounts insured exclude GST.

An Excess may apply if You make a claim. An Excess is the part of a claim You must contribute and is payable for each Occurrence covered by this insurance. An Occurrence is one or a series of Occurrences arising out of one cause.

If an excess applies when You make a claim We will:

- deduct the excess from any claim payment, or
- request You pay the excess to Us, or to the repairer or supplier.

If We request You pay the excess, We will tell You who to pay and may require payment as part of the finalisation of Your claim.

The type and amount of Excess is shown in Your Policy (usually in this document and the Coverage Summary). We agree on the amount of the Excess(es) with You when You apply for this insurance and the Excess may vary according to where You live and Your insurance history.

For example, Your home has suffered severe damage as a result of Storm passing over Your suburb. If Your Policy or Coverage Summary mentions that You have a \$100 Excess, then Our claim payment reimbursing You for the overall loss will be reduced by \$100.

If You do not adequately insure Yourself for Your potential loss, You may have to bear the uninsured proportion of any loss Yourself.

We only cover Your interest in the insured property unless We specifically include cover for the interest of a third party.

Please note in particular General Condition 8.2 which restricts Your cover if Your Building or Situation is left unoccupied for a period of 60 days or more.

We may refuse to pay or reduce the amount We pay under a claim in certain circumstances. In particular:

- where an exclusion applies;
- if You do not comply with the terms and conditions of Your Policy;
- if You make a misrepresentation; or
- if You make a fraudulent claim.

The course of action We take when You fail to meet Your responsibilities will be considered in each circumstance based on what impact or effect Your failure caused or contributed to the claim or Our decision to issue Your Policy

We also may cancel Your Policy in certain circumstances permitted by law e.g. if You fail to comply with a condition.

Part A / Product Disclosure Statement

The amount of any claim may be reduced:

- (a) where You have not requested the insured value of any item to be specified in the Policy

Depending on the age or experience of the driver and whether You have told Us about them and We have noted them on the Coverage Summary, You may have to contribute more than one excess. If We accept Your claim, We will deduct the excess shown in Your current Coverage Summary from any amount We pay under Your claim.

Standard Excess is the amount You will be required to contribute to every claim.

Age or Inexperienced Driver Excess is in addition to the standard excess and applies where a vehicle is driven by a person:

- under the age of 25 years or
- aged 25 years or more but who has not held a driver's licence for 2 or more years.

This excess does not apply if the only damage to Your vehicle is a broken windscreen, or window glass, or caused by hail damage.

There are some circumstances where this excess will not apply. Please refer to the section headed 'When No Excess Applies' in the Motor Vehicle section in Part B of this booklet.

Significant risks—

Home Building, Home Contents, Valuables, Motor and Boat

This product may not match Your expectations

This product may not match Your expectations (for example, because an exclusion applies). You should read the PDS (Part A of this booklet) and the Policy Terms and Conditions (Part B of this booklet) carefully.

Please ask Your Financial Services Provider if You are unsure about any aspect of this product.

Part A / Product Disclosure Statement

Your sum insured may not be adequate

Home building, home contents and valuables

If You select replacement or reinstatement conditions for home and contents, claims are settled without contribution for age, depreciation or wear and tear. This means it is important that the sums insured You select cover the cost of replacing Your home and contents on a new for old basis (except where specifically stated otherwise). The sums insured that You select must make allowance for structural improvements (such as sheds, pergolas, and Fencing), GST and any additional benefits that are included in the sum insured (for example: costs of removal of debris, architects fees).

It is important that You read the sub-limits in the Terms and Conditions for items such as works of art, antiques, items of jewellery, collections, office equipment and cash. If You have an item or a group of items that will cost more than the sub-limit to replace, then You will need to nominate that item to ensure that it is covered for more than the sub-limit.

For example, there is a sub limit on jewellery of \$10,000 per item and 25% in total. If it would cost more than this to replace Your jewellery as new, then You must specify Your jewellery items to ensure that You are covered for their full value.

Motor vehicle

It is important that You ensure all accessories and equipment insured are separately listed on the Coverage Summary with their respective values otherwise the maximum amount We will pay for any part or item will be its current Retail Value.

Boat

This Policy is an Agree Value policy. A separate Agree Value will apply to each of the hull, equipment and accessories where specified on the Coverage Summary.

This means it is important that You ensure all items insured are separately listed on the Policy with their respective Agree Values otherwise the maximum amount We will pay for any part or item will be its current Retail Value.

Overdue Premium

You must pay Your premium on time otherwise Your Policy may not be valid.

If You have not paid by the due date or Your payment is dishonoured, this Policy may not be valid and there may be no cover in accordance with the section headed 'How You can pay Your premium' in Part B (*Terms and Conditions*).

For more detailed information regarding payment options refer to the section headed 'How You can pay Your premium' in Part B (*Terms and Conditions*).

A claim may be refused

We may refuse to pay or reduce the amount We pay under a claim if You do not comply with the Policy conditions, or if You make a fraudulent claim.

The course of action We take when You do not comply with these conditions will be considered in each circumstance based on what impact or effect Your failure to meet Your responsibilities caused or contributed to the claim.

The cost of this Insurance Policy

The total premium is the amount We charge You for this insurance Policy. It includes the amount which We have calculated will cover the risk, and any taxes and government charges. The premium and any taxes and government charges will be shown on Your Coverage Summary.

Your premium, including any discounts You may be eligible for, are subject to minimum premiums. We consider the minimum amount We are prepared to sell the Policy for and may adjust Your premium to ensure it does not fall below the minimum amount. Any discounts will be applied to Your Policy, only to the extent any minimum premium is not reached. This means that any discount You may be eligible for may be reduced. When We determine Your premium on renewal, We may also limit any increases or decreases in Your premium by considering factors such as Your previous year's premium amount.

When calculating Your premium We take a range of rating factors into account. These factors, and the degree to which they affect Your premium, will depend upon the information You provide to Us.

The following factors have a significant Impact on the calculation of Your premium:

Home buildings, contents and valuables

- sums insured
- type of cover selected
- the location and construction of the home
- the age of the oldest insured person
- whether the home is occupied by You as a principal residence or in some other manner
- previous insurance and claims history.

Part A / Product Disclosure Statement

Motor vehicle

- type of cover selected
- the make and model of the insured motor vehicle
- the age of the insured person
- the place where the motor vehicle is usually parked
- previous insurance and claims history of You and any other drivers.

- make, model and type of boat

Compensation Arrangements

IAL is a general insurer authorised under the Insurance Act 1973 (Cth) to carry on general insurance business in Australia. We are supervised by the Australian Prudential Regulation Authority (APRA) and subject to the prudential requirements of the Insurance Act 1973 (Cth) (Insurance Act). The Insurance Act contains prudential standards and practices designed to ensure that, under all reasonable circumstances, financial promises made by Us are met within a stable, efficient and competitive financial system.

Because of this:

- the protection provided under the Financial Claims Scheme legislation applies in relation to Us and this Policy. This legislation has been put in place to protect certain eligible persons where a general insurer authorised under the Act fails and is unable to meet its obligations under a Policy; and
- We are exempted by the Corporations Act 2001 (Cth) from the requirement to meet the compensation arrangements Australian financial services licensees must have in place to compensate retail clients for loss or damage suffered because of breaches by the licensee or its representatives of Chapter 7 of that Act. We have compensation arrangements in place that are in accordance with the Insurance Act.

The Policy has provisions relating to GST. In summary, they are as follows but please read the provisions in full. They can be found in Part B Terms and Conditions, under the heading 'How Goods and Services Tax affects any payments We make'.

We recommend that You seek professional advice.

Insurer

trading as CGU Insurance (CGU)
AFS Licence No 227681

Our agreement with You

This Policy is a legal contract between You and Us. You pay Us the premium, and We provide You with the cover You have chosen as set out in the Policy, occurring during the Period of Insurance shown on Your Coverage Summary or any renewal period.

The excesses set out in the section headed 'What You must pay if You make a claim – Excess' apply to all claims except where otherwise stated. The amount of any excess that applies to Your Policy will be shown on Your Coverage Summary.

The exclusions in the section(s) headed 'When You are not covered' and conditions in the section headed 'General Conditions' apply to all types of cover.

Your Policy

Your Farm Insurance Policy consists of Part B (*Terms and Conditions*) of this booklet and the Coverage Summary We give You.

Please read Your Policy carefully, and satisfy Yourself that it provides the cover You require.

If You want more information about any part of Your Policy, please ask Your Financial Services Provider.

You should keep Your Policy Booklet and Coverage Summary together in a safe and convenient place for future reference.

Providing proof

So that Your claim can be assessed quickly You should keep the following:

- all service and repair records
- documents which substantiate Your earnings
- medical certificates
- receipts or other confirmation of purchase and valuations
- receipts or other confirmation of the purchase of Your vehicle or any accessories.

We may ask You for these if You make a claim.

Other party's interests

You must tell Us of the interests of all parties (e.g. financiers, owners, lessors) who will be covered by this insurance.

We will protect their interests only if You have told Us about them and We have noted them on Your Coverage Summary.

How You can pay Your premium

You can pay Your premium in one lump sum.

If You pay Your premium in one lump sum, You can pay by cash, cheque, credit card (a fee may be charged), or BillPay, or by an arrangement with an accredited premium funder.

Paying Your premium:

When You take out insurance, You need to pay Your premium by the due date specified on Your schedule. If Your premium is overdue, We will send You a notice outlining the overdue amount and when it needs to be paid.

If Your premium remains unpaid after the time period specified in the notice We send, We will:

- (a) cancel Your policy for non-payment; and
- (b) refuse to pay any claim for an incident occurring after the cancellation date.

If You need to make a claim when Your policy is overdue, and before Your policy has been cancelled for non-payment, We will require You to pay the overdue amount as part of the claim settlement process. Alternatively, where the settlement method allows We can reduce the settlement payment by the overdue amount

Part B / Policy Terms and Conditions

Preventing Our right of recovery

If You have agreed not to seek compensation from another person who is liable to compensate You for any loss, damage or liability which is covered by this Policy, We will not cover You under this Policy for that loss, damage or liability.

How Goods and Services Tax affects any payments We make

The amount of premium payable by You for this Policy includes an amount of the GST on the premium.

When We pay a claim, Your GST status will determine the maximum amount We pay.

When You are:

- (a) not registered for GST, or are otherwise not entitled to claim an Input tax Credit the maximum amount We pay is the sum insured or the other limits of insurance cover including GST, and the sum insured and other limits of insurance cover shown on Your Policy documentation are inclusive of GST
- (b) registered for GST, We will pay the sum insured/limit of indemnity or the other limits of insurance and where You are liable to pay an amount for GST in respect of an acquisition relevant to Your claim (such as services to repair a damaged item insured under the Policy) We will pay for the GST amount.

We will reduce the GST amount We pay by the amount of any input tax credits to which You are or would be entitled if You made a relevant acquisition.

In these circumstances, the Input Tax Credit may be claimable through Your Business Activity Statement (BAS), and the sum insured and other limits of insurance cover shown on Your Policy documentation are exclusive of GST.

You must advise Us of Your correct Australian Business Number and Taxable Percentage. Any GST liability arising from Your incorrect advice is payable by You.

Where the settlement of Your claim is less than the sum insured or the other limits of insurance cover, We will only pay an amount for GST (less Your entitlement for Input Tax Credit) applicable to the settlement. This means that if these amounts are not sufficient to cover Your loss, We will only pay the GST relating to Our settlement of the claim.

We will (where relevant) pay You on Your claim by reference to the GST exclusive amount of any supply made by any business of Yours which is relevant to Your claim.

GST, Input Tax Credit, Business Activity Statement (BAS) and Acquisition have the same meaning as given to those expressions in A New Tax System (Goods and Services Tax) Act 1999 and related legislation as amended from time to time.

Taxable Percentage is Your entitlement to an Input Tax Credit on Your premium as a percentage of the total GST on that premium.

Section 1 / Home Building and Contents

What We will pay when You insure Home Buildings and/or Home Contents.

What We will pay when You insure Home Buildings

At Our option We:

- repair, replace or rebuild or pay You the reasonable cost to repair, replace or rebuild, the damaged part of the Building up to its Replacement Cost; or
- pay You up to the Building Sum Insured.

Our choice will have regard to the circumstances of Your claim and consider any preference You may have. You may choose to have the Home Buildings replaced at another Site, but We do not pay more than the sum insured.

If Your Home Buildings are damaged beyond economic repair and You do not commence rebuilding within 6 months of the damage occurring, *(or any other period which We agree with You)* You may have to pay any increase in cost caused by Your delay *(to the extent the delay is not caused by Us or Our agent, supplier, repairer, builder or provider)*. Otherwise We will pay the Indemnity Value.

If part of Your home is damaged, We pay only for the part or parts of the home that actually sustained damage.

We do NOT pay to replace any undamaged materials.

However, if

- it is impossible to acquire new material to replace the damaged material that reasonably matches the undamaged portion to a similar extent as immediately prior to the insured event occurring, and
- the amount of damaged material that cannot be matched to the undamaged material is more than 40% of the total material that would have to be replaced if all the matching damaged and undamaged material was replaced, then We will replace both the damaged and undamaged material.

Where materials that are required to settle a claim that We agree to pay are not commercially available in Australia, at Our option, We:

- replace the material with the nearest equivalent or similar new materials available in Australia or overseas, or
- pay the cost to replace the material with the nearest equivalent or similar new materials available in Australia and overseas.

Our choice will have regard to the circumstances of Your claim and consider any preference You may have.

Fees

We will pay any reasonable fees which We have approved and which are incurred directly in relation to repair or replacement of the Home Buildings.

Before incurring any fees, You should seek Our prior written approval. If You do not obtain Our prior approval, We will only pay the reasonable fees up to the amount We would have agreed to pay had You obtained Our prior approval.

- pay the reasonable cost of repair or reinstatement to a condition substantially the same as, but not better than when new, or
- pay up to the sum insured shown in Your Policy Coverage Summary.

Our choice will have regard to the circumstances of Your claim and consider any preference You may have.

If Your contents are damaged beyond economic repair, We will pay no more than the reasonable cost of replacement when new even if You have insured for an amount greater than the reasonable cost of replacement when new.

When We pay Your claim for all Your contents being damaged beyond economic repair, the Policy is exhausted and comes to an end. We will not pay more than the total contents sum insured for all contents lost or damaged.

- (b)** If We agree to pay a claim where film, photos, home movies or home videos or any similar recorded material is destroyed, We pay for the replacement of new, blank film, videos or similar. *(e.g. if a compact disc upon which You had photos stored is destroyed, We would replace it with a new, blank compact disc).*

Excess

You must pay any excess shown in the Coverage Summary for this section for each claim made under this section. You may have to contribute more than one excess in respect of the one claim.

The excesses are shown in the Coverage Summary and are explained below:

Standard excess

This applies to all claims for loss or damage to Your Insured Vehicle.

The standard excess will not apply to the first claim in any Period of Insurance for breakage of the windscreen or other window glass in Your Insured Vehicle if no other damage has occurred.

Harvester Accessories excess

If any detachable accessory of harvesting equipment, including but not limited to combs, fronts and pickups, is insured as a separate item under this section of the Policy, and is involved in an event giving rise to a claim and at the time of the event the accessory is attached to a harvester and damage has occurred to both items, the excess applicable to the claim will be the combined excesses for the harvester and the detachable accessory.

Section 9 / Motor Vehicle

Tipping excess

If any rigid body tipper or tipping Trailer covered under this section is involved in an event giving rise to a claim while the tipping hoist is partially or fully extended, the standard excess as stated on the Coverage Summary in addition to any other excesses that may be applicable will be increased by 100%.

Driver experience excesses

These are payable in addition to the standard excess.

They apply if the person using Your Insured Vehicle at the time of the event is:

- (b) 21 years of age or over but under the age of 25, or
- (c) 25 years of age or over and has held a licence to drive the Motor Vehicle for less than two years.

If more than one driver experience excess applies, then those excesses will be cumulative. You will not have to contribute to this additional excess if the only damage to Your Insured Vehicle is a broken windscreen or window glass.

No driver experience excesses are payable for the following vehicles:

- (a) Mobile Farm Machinery
- (b) any unregistered Motorcycle, and
- (c) Caravans.

When no excess applies

You will not have to pay any excess if:

- (a) the amount of Your claim exceeds the applicable excesses under this section, and
- (b) You can satisfy Us that the claim involves a collision with another vehicle and the collision which gave rise to the claim was at least 60% the fault of the driver of another vehicle, and
- (c) You tell Us the registration number of the other vehicle and the full name and address of the other driver.

In order for Us to resolve whether You or another person was at fault, We may request additional information – for example witness statements or photographs – and consider any laws, bylaws or rules that may apply to the claim circumstances. If We are unable to determine who was at fault, the excess is payable by You.

We give this benefit only if We are allowed legally to recover the amount of any loss including any applicable excesses from a third party.

The standard excess will not apply to the first claim in any Period of Insurance for breakage of the windscreen or other window glass in Your Insured Vehicle if no other damage has occurred.

Conditions which apply to this section

There are also general conditions which apply to all sections of this Policy.

No Claims Bonus

If Your vehicle is insured for Comprehensive cover and You do not have a claim during the Period of Insurance, We apply a discount off of Your new year's renewal premium. This reward is called the 'No Claims Bonus'.

We calculate Your No Claims Bonus based on the claims history of You and any other Insureds. For each year there is no at-fault claims made on an vehicle insured under Your Policy, We allow a discount from the basic premium for that Vehicle.

The discount increases each claims-free year You have for a Vehicle until the maximum is reached. Each year at renewal, Your Vehicle's No Claims Bonus is recalculated.

Protecting Your No Claims Bonus

This applies to each eligible Vehicle listed on the Policy Coverage Summary. When You have one at-fault claim in any one year, We will not reduce Your No Claims Bonus when:

- (a) Your insurance has been with Us for at least 2 consecutive years prior to the claim; and
- (b) Your No Claims Bonus has been on the maximum that We allow during the 2-year period; and
- (c) Your Vehicle has been comprehensively insured during that period.

We will reduce Your No Claims Bonus at the renewal of Your Policy if You have any further claims. You will not lose any No Claims Bonus with Us on renewal if Your claim involves a collision in which We are satisfied the other driver was completely at fault and You give Us the correct name and address of the other driver and vehicle registration number, or Your claim is only for window glass in a single accident.

Losing Your No Claims Bonus

In all other cases, at the new renewal You will lose part of Your No Claims Bonus following each at-fault claim made in respect to that Vehicle. The discount then increases again after each claims-free year up to the maximum.

Alterations

You must give written notice to Us as soon as reasonably possible if the suspension wheels or engine of Your Insured Vehicle are altered to increase performance beyond the manufacturer's specifications. When We receive a notification of change, We may decide to either communicate to You an adjustment to the premium or terms of the policy or cancel cover on this vehicle in accordance with the provisions of the Insurance Contracts Act 1984. If You do not provide such notification before the happening of an event giving rise to a claim under this policy then, subject to the Insurance Contracts Act, 1984, We may refuse to pay a claim, either in whole or in part. The course of action We take when You fail to provide such notification will be considered in each circumstance based on what impact or effect Your failure caused or contributed to the claim or Our decision to issue Your policy.

Cancellation / salvage

If We settle a claim for Your Insured Vehicle on the basis that it is a Total Loss:

- (a) We will not refund any premium to You for that Insured Vehicle, and
- (b) We will retain the proceeds of any sale of the wreck of Your Insured Vehicle, and
- (c) if We have finalised Your claim under Cover 5 - Loss of Use (*if applicable*), cover for that Insured Vehicle is cancelled under Cover 5 without refund of premium.

General average

If the Insured Vehicle is transported by sea within Australia and as a result of a loss You are charged general average and/or salvage costs, then We will pay those costs.

Section 9 / Motor Vehicle

Maintenance

You must take reasonable steps at all times to safeguard Your Insured Vehicle from loss or damage and to maintain it in efficient condition.

Repairs

You must not authorise repairs to Your Insured Vehicle without Our consent.

Special Clauses

Only those clauses shown in the Coverage Summary will apply.

Dangerous Goods

Provided that the transportation of Dangerous Goods is limited to classes 2, 3, 4, 5, 8 and 9 as listed under The Australian Code for the Transport of Dangerous Goods by Road and Rail.

The following special clauses apply to sedans, station wagons or vehicles with a gross carrying capacity under 2 tonnes.

Only those special clauses that are shown on the Coverage Summary will apply.

Off Road Clause

The basic excess plus any other applicable excesses payable under this section is double if Your Insured Vehicle is damaged while it is being driven on any beach or off any public road (*excluding driveways*) on land not belonging to You.

If Your Insured Vehicle is stolen and the security system was not active at the time, You must contribute an excess of \$200 in addition to any other excesses payable.

How much We pay – loss of or damage to Your Boat

This is an Agree Value Policy.

Where specified and shown in the Coverage Summary, there is an agreed sum insured for each of:

- the Hull
- the Motor(s)
- Sails, Masts, Spars, Standing and Running Rigging
- trailer
- Equipment and Accessories.

Individual items of Equipment and Accessories have an agreed sum insured where specified by You.

In the event of a claim, the maximum We will pay You for each item lost or Damaged is the agreed sum insured for that item.

Where You have not specified a separate sum insured for either a part of the boat as above, or an individual item, then the maximum We will pay is the current Retail Value of the part or item.

However, the maximum amount payable will not exceed the Total Sum Insured under any circumstances. Any amount payable will be reduced if the total Retail Value of the Boat including all items listed above exceeds the Total Sum Insured shown in the Coverage Summary by more than 20%. The amount payable will be reduced in proportion to the difference between the Retail Value of the whole Boat and the Total Sum Insured.

We will, at Our option,

- pay You the current Retail Value of the item (*where there is no Agree Value*) and take ownership of any Salvage.
- pay You the reasonable cost of repairing or replacing the item involved, or pay You the sum insured (*where specified*) of the item involved and take ownership of any Salvage, or
- repair or replace the item involved, or
- When We decide either to replace an item, or to pay the cost of replacing an item which has no agreed sum insured, then depreciation may apply and the amount payable is determined by:
 - comparing the value of an item with an item of similar age and condition, or
 - establishing the actual cost of an item of similar age and condition.

Our choice will have regard to the circumstances of Your claim and consider any preference You may have.

When We take the option of repairing an item, the amount that We pay is limited by the actual value of the item being repaired compared with its age and condition.

If Your Boat is less than one year old, We will not apply depreciation in determining the amount paid to You.

Your Personal Effects are automatically covered under the Policy while they are on Your Boat, and the maximum We will pay for loss of or damage is \$200 for any one item up to a maximum of \$2,000 in total any one claim for the reasonable cost of repairing or replacing the lost or damaged item.
